### **ZERO Tolerance Policy for Abuse of Referees.**

**🏆** It is the policy of LYSA to provide a safe, fair, fun environment for all youths participating in our program. It is important that this expectation be extended to our youth referees, as well as our players.

It is the responsibility of ALL adults participating in our program whether coaches, parents, or spectators to realize that our program cannot continue without the dedication and commitment of our referees. With this in mind it is the stated policy of LYSA to protect our referees from abuse or misconduct of any kind. It is a league rule that LYSA expects positive, instructive, and encouraging behavior toward our players and referees at all times. ANY disrespectful behavior toward a referee coach or league official during a game or practice as determined by LYSA league officials will result in the following:

1. First offense will be handled as a WARNING, and will result in a discussion regarding the type of behavior that is expected and the type of behavior that is not allowed.
2. Second instance of misconduct during any LYSA sanctioned event will result in a CAUTION being issued to the offender by the league with the expectation the disrespectful behavior will immediately stop.
3. Third instance of misconduct will result in the offender being issued a SEND Off. Any coach, parent, or spectator receiving this major violation will be immediately asked to leave the vicinity of all games; furthermore, league volunteers will be restricted from any participation during the following weekend.

**🏆** This is a zero tolerance policy, and will be considered cumulative over the entire season. It is the responsibility of LYSA league officials, coaches, and parents to administer this policy.

**LYSA is firmly committed to providing a positive environment for all youths in our charge and need you to assist us in this effort.**

### **Restricted Punt Rule for Goalkeepers**

- 🏆** Punting and/or Drop Kicks are allowed, however the ball may not land past midfield without touching the ground or another player first in the U6, U8 and U10 divisions. Standard soccer rules apply to U12. Throwing, Rolling, and/or putting the ball down on the ground and kicking it beyond midfield line in air is allowed. In the case of an infraction, an indirect free kick will be awarded. The indirect free kick will be placed at the midfield line at the point of the infraction.

**Scoring teams will only be given a 4 goals margin when a win occurs. Running up the score is considered un-sporting. If a team has a 4 goal advantage the team is to stop the attack and control the ball.**
